CLINICCARE™ IS A HIGH TECHNOLOGY COSMECEUTICAL WITH IMMEDIATE AND VISIBLE EFFECTS. SPECIAL FORMULAS PROVIDE OUTSTANDING RESULTS DUE TO UNIQUE COMBINATION OF VERY EFFECTIVE ACTIVE INGREDIENTS. GLOBALLY PATENTED COMPLEXES OF HYALURONIC ACID ARE MANY THOUSAND TIMES SMALLER THAN ORDINARY MOLECULES AND CAN PENETRATE DEEP INTO THE SKIN TO HYDRATE AND REJUVENATE FROM WITHIN. CLINICCARE™ USE STATE-OF-THE-ART TECHNOLOGY TO ENSURE THE HIGHEST LEVELS OF SAFETY. ALL PRODUCTS ARE DESIGNED TO PROVIDE LONG LASTING DEEP SKIN HYDRATION, TO PREVENT PREMATURE SKIN AGING.

STAR INGREDIENT

Low molecular weight hyaluronic acid is one of the basic components of CLINICCARE skincare. Hyaluronic acid plays a vital role in metabolic processes such as cell interaction and synthesis. It helps protect cell immunity and helps preventing infections. One of its most important properties is its ability to retain moisture – up to 1000 times the weight of the acid itself. Natural repair of skin cells is directly dependent on levels of hyaluronic acid, which, unfortunately, decline as you age. This leaves skin more susceptible to toxins and all processes that require hyaluronic acid deteriorate. That's why it's so important for age-defying formulas to include hyaluronic acid.

The problem with absorbing conventional hyaluronic acid is that its molecules are 3000 nanometers in diameter whereas intercellular space is only around 100 nanometers. This makes it impossible for conventional hyaluronic acid molecules to penetrate to deeper levels of the skin. CLINICCARE products include low molecular weight hyaluronic acid with molecules only 5 nanometers wide with high ionization levels as well, which means it can reach deep into the skin without the need for injection.

WHAT IS EGF?

EGF stands for epidermal growth factor, which is a protein that naturally occurs in our skin cells. Its main purpose is to repair our skin by promoting DNA synthesis and cell proliferation. EGF has many benefits for your skin, including wrinkle improvement, hydration, and pigmentation prevention. The process by which EGF encourages cell growth also stimulates the division of keratinocytes and fibroblasts, which then synthesize fibrous proteins that improve skin elasticity such as collagen and elastin.

Because EGF repairs skin by stimulating the growth of new skin cells, it also enhances skin barrier. This allows skin to hold on to moisture better, so your skin becomes smoother and softer. Lastly, it inhibits melanin production during the wound healing process, so it improves acne marks and other forms of hyperpigmentation.

WHAT SUITS YOUR SKIN?

PURE – soothing products for sensitive and troubled skin. Anti-inflammatory and pore contraction effect, regulates the production of sebum and smoothes the structure of the skin.

GLOW – the product line prevents unnecessary pigmentation, blocking the aging mechanisms, providing an antioxidant, nourishing and calming effect. It restores tired and dull skin damaged by too much sun and excessive stress.

REFRESH – antioxidant-rich products which will give you a deeply and long lasting well-hydrated skin. A highly concentrated combination of active ingredients help to improve metabolic processes in cells and stimulate collagen synthesis. The line regenerate tissue and provide calming effects.

CONCENTRATED CLEANSING FOAM

Gently but effectively rid the skin of impurities with the Concentrated Cleansing Foam

Packed with moisturising and collagen-boosting ingredients alongside gentle cleansing agents, this light foam successfully removes surface impurities, excess sebum and make-up from the skin without disrupting the epidermal barrier.

Suitable for all skin types, massage into damp skin twice a day for best results.

- Light foaming cleanser
- Removes make-up and impurities
- Hydrates and softens
- Suitable for all skin types

LIP & EYE MAKE-UP REMOVER

Melt away long-wearing make-up at the end of the day with Lip & Eye Make-Up Remover

Designed to condition and soothe the most delicate parts of the face, this hard-working formula contains a blend of active ingredients and plant extracts to remove make-up from the eyes and lips, including mascara, eyeliner, lipstick and concealer. As it cleanses, this lotion also dries to form a protective barrier over the skin, locking in moisture and preventing irritation.

Suitable for all skin types, apply a generous amount onto a cotton pad and wipe over the eyes and lips until clean. Can be used daily.

- Gentle, soothing formula
- Designed for the eyes and lips
- Forms a protective barrier over the skin
- Suitable for all skin types

CLEANSING

CLEANSING IS CRUCIAL. OVER THE COURSE OF THE DAY A BUILD-UP OF GREASE AND GUNK CAN SIT INVISIBLY ON THE SURFACE OF THE SKIN. IF WE DON'T PROPERLY CLEANSE, THIS CAN BUILD UP AND BLOCK PORES, LEADING TO BREAKOUTS AND A DULL, CONGESTED AND TEXTURED-LOOKING COMPLEXION.

WHAT SUITS YOUR SKIN?

01 | CLEANSING

CONCENTRATED CLEANSING FOAM | LIP&EYE MAKE-UP REMOVER

PURE

SOOTHING PRODUCTS FOR SENSITIVE AND TROUBLED SKIN. ANTI-INFLAMMATORY AND PORE CONTRACTION EFFECT, REGULATES THE PRODUCTION OF SEBUM AND SMOOTHES THE STRUCTURE OF THE SKIN.

WHAT SUITS YOUR SKIN?

02 | X3M EGF PURE

LIQUID MOISTURISER | ESSENCE MOISTURIZER | SERUM MOISTURIZER

X3M EGF PURE LIQUID MOISTURIZER

Soothe and hydrate sensitive and acne-prone complexions with the X3M EGF Pure Liquid Moisturizer

Formulated with low molecular weight Hyaluronic Acid and Centella Asiatic, this lightweight lotion provides problematic skin with the right amount of nutrients and moisture to calm inflammatory conditions such as acne. It also helps to balance excessive sebum production while anti-bacterial agents prevent the onset of breakouts, to leave the skin healthy and clear. Suitable for all skin types, especially oily, sensitive and acne-prone skin types, apply to the face after cleansing twice a day for best results.

- Lightweight moisturiser
- Contains 3% Hyaluronic Acid
- Minimises inflammation
- Has anti-bacterial benefits

X3M EGF PURE ESSENCE MOISTURIZER

Lightweight but incredibly powerful, the X3M EGF Pure Essence Moisturizer adds a much needed boost to a flagging skin care routine

Formulated with powerful antioxidants including Green Tea Extract alongside hydrating Hyaluronic Acid, this facial essence is designed to soothe and correct problematic skins. It removes acne-causing bacteria from the surface and minimises inflammation to create a calmer, more harmonious complexion. Suitable for oily and acne-prone skin types, apply twice a day after cleansing and toning. Follow with an appropriate serum moisturizer for best results.

- Powerful facial essence
- Contains Hyaluronic Acid
- Minimises inflammation
- Perfect for sensitive and acne-prone skin

X3M EGF PURE SERUM MOISTURIZER

Correct and clear up problematic skins with the X3M EGF Pure Serum Moisturizer

Containing a blend of strengthening Niacinamide, hydrating Hyaluronic Acid and soothing plant extracts, this serum successfully tackles pimples, large pores and acne-induced inflammation to create a calmer, more harmonious complexion. Designed to provide non-greasy hydration, it leaves the skin feeling soft and smooth while helping to combat the development of pimples and congestion. Suitable for oily and acne-prone skin types, apply to cleansed skin one or twice a day for best results.

- Lightweight texture
- Minimises inflammation
- Hydrates and balances
- Ideal for sensitive and acne-prone skin

GLOW

THE PRODUCT LINE PREVENTS UNNECESSARY PIGMENTATION, BLOCKING THE AGING MECHANISMS, PROVIDING AN ANTIOXIDANT, NOURISHING AND CALMING EFFECT. IT RESTORES TIRED AND DULL SKIN DAMAGED BY TOO MUCH SUN AND EXCESSIVE STRESS.

WHAT SUITS YOUR SKIN?

03 | X3M EGF GLOW

LIQUID MOISTURISER | ESSENCE MOISTURIZER | SERUM MOISTURIZER

X3M EGF GLOW LIQUID MOISTURIZER

Brighten and plump dull skin with X3M EGF Glow Liquid Moisturizer

Lightweight and refreshing, this gently corrective liquid targets Tyrosinase within the skin to help control melanin production and lighten uneven pigmentation caused by excessive UV exposure. Low molecular weight Hyaluronic Acid provides deep down hydration while peptides stimulate collagen production, leaving the skin feeling soft and smooth with a brighter, more radiant appearance.

Suitable for all skin types, apply to cleansed skin twice a day for best results.

- Energizing antioxidant fluid for all skin types with sun damages
- Hydrates and refreshes the skin
- Brightens dark spots
- Stimulates collagen production

X3M EGF GLOW ESSENCE MOISTURIZER

Transform a dull, pigmented complexion with the X3M EGF Glow Essence Moisturizer

Developed with Arbutin and Mulberry Bark Extract, this potent facial essence targets and controls excessive melanin production to minimise the appearance of age spots and hyperpigmentation. Added Hyaluronic Acid provides deep down hydration to keep the skin smooth and supple all day. With consistent use, skin becomes clearer, smoother and more radiant.

Suitable for all skin types, particularly sun damaged skin, apply to clean skin after toning twice a day. Follow with an appropriate serum moisturizer for best results.

- Corrective facial essence
- Prevents melanin formation
- Hydrates and smoothes
- Ideal for all skin types with sun damages

X3M EGF GLOW SERUM MOISTURIZER

Tackle uneven skin tone and brighten a dull complexion with the X3M EGF Glow Serum Moisturizer

Enriched with corrective Arbutin and Mulberry Bark Extract, this powerful serum targets the most common forms of hyperpigmentation including age spots and sun damage. It also helps to minimise excessive melanin production while revitalising a dull complexion to leave skin looking clearer and brighter. Added Hayluronic Acid plumps and hydrates the skin, to leave it looking even and radiant.

Suitable for most skin types, particularly sun damaged skins, apply to cleansed skin twice a day for best results.

- Provides impressive dermal hydration
- Controls melanin production
- Brightens and revitalises
- Ideal for dry to normal sun damaged skin

REFRESH

ANTIOXIDANT-RICH PRODUCTS WHICH WILL GIVE YOU A DEEPLY AND LONG LASTING WELL-HYDRATED SKIN. A HIGHLY CONCENTRATED COMBINATION OF ACTIVE INGREDIENTS HELP TO IMPROVE METABOLIC PROCESSES IN CELLS AND STIMULATE COLLAGEN SYNTHESIS. THE LINE REGENERATE TISSUE AND PROVIDE CALMING EFFECTS.

WHAT SUITS YOUR SKIN?

04 | X3M EGF REFRESH

LIQUID MOISTURISER | ESSENCE MOISTURIZER | SERUM MOISTURIZER

X3M EGF REFRESH LIQUID MOISTURIZER

Add an extra moisture boost to dehydrated skin with the X3M EGF Refresh Liquid Moisturizer

Designed to revive tired skin, this lightweight moisturizer provides deep down hydration while supporting the skin's protective moisture barrier to reinvigorate lacklustre skin. Added antioxidants help to combat the effects of harmful free radicals and prevent environmental damage, to bring out the skin's natural radiance for a fresher, healthier looking complexion.

Suitable for all skin types, particularly dehydrated skins, apply to cleansed skin twice a day for best results.

- Rejuvenating formula
- Hydrates and refreshes
- Prevents free radical damage
- Soothes and protects

X3M EGF REFRESH ESSENCE MOISTURIZER

Strengthen and soothe delicate skin with the Clinicare X3M EGF Refresh Essence Moisturizer

Enriched with a very high concentration of low molecular weight Hyaluronic Acid, this essence-style moisturizer provides impressive dermal hydration while added antioxidants energise and refresh the skin, leaving it with a healthy radiant glow. Anti-bacterial extracts minimise irritation and help to calm stressed skin to leave it looking and feeling calm, alongside active ingredients which work to stimulate collagen production.

Suitable for all skin types, massage into clean skin twice a day for best results. Follow with a serum moisturizer.

- Rejuvenating facial essence
- Deeply hydrates the skin
- Leaves skin with a healthy glow
- Works for all skin types

X3M EGF REFRESH SERUM MOISTURIZER

Restore a youthful glow to ageing skin with the X3M EGF Refresh Serum Moisturizer

Formulated with nourishing and supportive ingredients, this powerful anti-aging serum restores health to damaged tissue and strengthens the skin's immune system to create a fresher, healthier looking complexion. It also helps to soothe sensitive areas and minimise irritations caused by external stressors and UV exposure.

Suitable for dry, mature and sun damaged skin types, apply to cleansed skin twice a day for best results.

- Anti-aging serum
- Hydrates and repairs
- Contains Hyaluronic Acid
- Prevents free radical damage

HYAL+ LIP & EYE RENEWAL CREAM

Reverse the visible signs of ageing in key areas of the face with the Hyal+ Lip & Eye Renewal Cream

Formulated with hydrating low molecular weight Hyaluronic Acid, this cream firms and strengthens weak skin around the eye and lip area while minimising the appearance of fine lines and fatigue. Used daily, it also helps to improve uneven skin texture and protect against environmental damage to create a smoother, brighter skin tone. Suitable for all skin types, apply to clean skin twice a day for best results.

- Targeted anti-aging cream for all skin types
- Improves skin's elasticity
- Minimises fine lines
- Contains Hyaluronic Acid

SUN SHIELD CREAM SPF30+

Protect the skin all day, every day with the Sun Shield Cream

Formulated with powerful plant extracts, this daily sunscreen provides both UVA and UVB protection while keeping the skin hydrated for up to 13 hours. The lightweight formula is quick and easy to apply plus it is suitable for sensitive complexions. Suitable for all skin types, apply to clean skin every morning for best results.

- Broad spectrum sunscreen for all skin
- Provides all day protection
- Soft, silky texture
- Can be used by sensitive skins

PREMIUM DERMO CORRECTIVE CREAM SPF50++

Repairs, protects and perfects the skin post-procedure

The Dermo Corrective Cream SPF50 is an innovative all-in-one skin perfector designed for the most delicate of complexions.

This multi-use cream not only hydrates and soothes the skin but contains UV filters and self-adjusting pigments, to both protect and enhance the appearance of most skin tones. Providing lightweight coverage to hide redness, uneven tone and dullness, this cream repairs and strengthens as it hides imperfections, making it a great product for post-procedure care. It is safe to use following most in-clinic treatments such as filler treatments, micro-needling, chemical peels, laser therapy and mesotherapy. Suitable for all skin types, even sensitive skin, massage a small amount into clean skin on the face every morning for best results.

- Multi-use facial moisturiser for all skin
- Contains self-adjusting pigments
- Protects against sun damage
- Safe to use post-procedure

06 | HAIR

ENERGIZING SHAMPOO | ENERGIZING CONDITIONER

ENERGIZING HAIR SHAMPOO

Energizing Hair Shampoo is a unique combination of active ingredients specially designed to maintain scalp vitality and act on follicle dysfunctions in order to achieve good anti-hair loss results

Energizing Hair Shampoo combines anti-oxidant and anti-inflammatory effects. It associates a hair growth stimulating effect with powerful moisturizing properties. Gently cleanses the hair and scalp, leaving the hair soft with a pleasant smell. Communis Holoserica Extract, promotes hair growth by regulating the hair cycle and cell proliferation in hair follicles. Panthenol functions as a humectant that increases the water content of hair and improves its elasticity.

- Vitalizing hair shampoo
- For both hair and scalp
- Promotes hair growth

ENERGIZING HAIR CONDITIONER

Maintain beautiful hair and a healthy scalp with the Energizing Hair Conditioner

Designed to work alongside shampoo, this lightweight conditioning product repairs environmental damage done to weak hair while boosting its overall shine and vibrancy. It also nourishes a dry scalp and prevents irritation to create an overall healthier head of hair.

Suitable for all skin types, massage into wet hair after shampooing before rinsing for best results.

- Maintains a healthy scalp
- Nourishes and smoothes hair
- Repairs damage
- Use after shampoo
